

Core Values

We believe:

- *Children are worthy of love.*
- *All people have the right to make choices.*
- *People have a right to be safe.*
- *Everyone can learn.*
- *Everyone has potential to succeed.*
- *Naumann is a team effort.*

Shared Vision

Our children love to learn.

Our children have appropriately challenging goals that drive their energies.

Our children persevere; they keep working to do their very best.

Our children's opportunities are unlimited because they are academically successful, responsible, and self confident.

Naumann is a safe, loving, and stimulating environment. The campus is secure, comfortable, and well maintained. The faculty and staff are highly trained professionals providing a supportive network for learning. Our curriculum is fun and challenging while supporting the skills necessary for success in our ever-changing world. Every member of the Naumann Family is dedicated to excellence.

Our united community is a critical component of the educational success at Naumann Elementary. We possess all the resources necessary to be the best school for our students. Open communication and an atmosphere of mutual support and respect exists between the school, home, and community. Our families and community are actively involved in all areas of the school to nurture students' learning and achievement. The supporting environment of Naumann Elementary is key to our success.
